

NEWSLETTER: January – June 2023

Hello,

Warm greetings to each and every one of you!

We are thrilled to share some remarkable news and achievements from Vidyadhaara Foundation. Thanks to the unwavering support and dedication of our patrons and volunteers, we have witnessed numerous satisfying moments in our journey.

▪ **Accomplishments from VF supported students:**

- **Five students**, with the assistance of VF, **successfully completed their SSLC** in 2023. Among them, one student **secured an impressive 78%**.
- **Three students completed the Nursery Teachers Training** course, and we are delighted to share that each of them has **secured employment** for a rewarding career in teaching.
- In the academic realm, **three students emerged as the top performers** in their respective classes. Their outstanding achievements include securing the top positions in the 6th and 9th grades, as well as the 1st PU. These achievements are a testament to their academic prowess and the guidance they received from VF.
- **Two students successfully graduated** and have now embarked on their professional journeys. We are thrilled to report that they have **secured either jobs or internships**, starting into the professional world.

NTT graduates

SSLC passed students

▪ **Academic support:**

- We have provided **partial school fees support for 21 deserving students**. By easing the financial burden, we ensure that these students have the opportunity to receive quality education and pursue their dreams.
- Additionally, we **have assisted two exceptionally meritorious students in paying their Pre-University fees**. By investing in their education, we are empowering them to pursue higher studies.
- Vidyadhaara Foundation also provides transport facilities for the school-going children we support. This initiative ensures that distance is not a barrier to their education, allowing them to attend school regularly.

- To further strengthen our students' academic foundation, we have engaged volunteers and school alumni to **teach after school hours**. This additional support helps reinforce their studies and provides them with personalized attention.
- Vidyadhaara Foundation has also **provided stationary to a Government High School**.

Primary class students of VF eagerly waiting to go to school

■ Summer programs:

- In our commitment to enhancing communication skills, we organized a month-long **spoken English classes** for approximately **40 students** from grades 4 to 7 at the Government Primary School in Nekkundi. The classes provided a nurturing environment for them to improve their language skills and boost their self-confidence.
- With the assistance of Vidyadhaara Foundation and the support of Vidya Foundation, we are proud to announce that **five students successfully completed their Computer Literacy program offered by NIIT**. This program has equipped them with essential computer skills, a necessity in the digital era.
- In our dedication to nurturing holistic development, we coordinated the training of **two students in athletics at the renowned Kanterava Stadium**. We aimed to help these talented individuals explore their athletic aspirations.

Summer program – Athletics training @ Kanteerava stadium

Before we close this edition,

We would like to **share a few heartwarming moments** that highlight the positive impact of Vidyadhaara Foundation's efforts on the lives of our beneficiaries.

- ❖ Ms. Yamuna, one of the students who completed the Nursery Teachers Training (NTT) course, expressed her gratitude by saying, **"I never believed that I would be a teacher one day. Thanks to Vidyadhaara Foundation, I could achieve this."** Ms. Yamuna's journey from a student to a teacher showcases the profound influence our programs have on the career paths and aspirations of our students.
- ❖ Master Yash, a student who participated in the spoken English classes during our summer program, shared his joy by saying, **"I enjoyed learning to speak in English."** This feedback reflects the positive experience and enthusiasm our students have when engaging in our educational initiatives (Names changed)

- ❖ **"This is the priceless picture for me"** said our volunteer science teacher at Govt. primary school. Our volunteers have won hearts of students through their sheer love and selflessness.
